Questions

Does Bharat Deepak change my BUSY data?

No. It only reads bills and ledgers from BUSY; nothing in your company is changed.

Which BUSY versions?

BUSY 21 on Windows, with Access or SQL Server companies, on every PC of the network.

How is WhatsApp sent?

From your own WhatsApp Desktop or WhatsApp Web: the party's chat opens with the PDF ready and you press Enter. No outside service and no message cost.

How does e-mail work?

From your own Gmail or company mail with an app password; the party's e-mail from BUSY is used.
