Party menu. A party writes Hi, picks 1 and gets the last bills; any bill comes again as PDF, outstanding and call back in one reply. Demo data, party names hidden.

What BNM Chat Bot does

Party menu, 24x7

A party writes Hi and gets a menu: last 5 bills (any one again as PDF), statement (ledger) of any year, outstanding with ageing, call me back, and place an order.

Salesman on the road

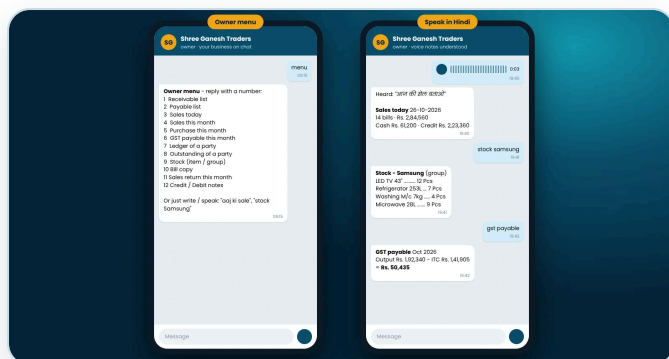

Bill copies of his parties, send a bill straight to the party, pending amounts, statement and outstanding, today's orders, and "received 5000 sharma" to report a collection to the office.

Owner menu: your business on chat

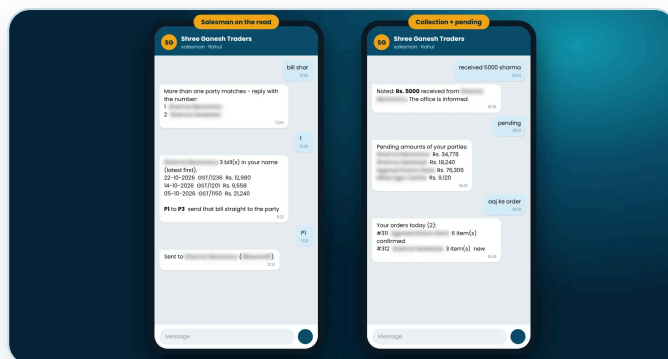

Receivables, payables, sales today and this month, purchase, GST payable, ledger or outstanding of any party, stock of an item or group, bill copy, sales return, credit / debit notes.

Speak, don't type

Voice notes in Hindi or Hinglish are understood: "aaj ki sale", "ledger Sharma", "stock Samsung". Read on our own server and deleted straight after.

Owner menu and voice. Twelve owner reports from BUSY; a Hindi voice note "aaj ki sale bataao" gets today's sales. Demo data.

Salesman on the road. Bill copies of his parties, send a bill straight to the party, collections and pending amounts. Demo data, names and mobiles hidden.

More features

Straight from BUSY

The BNM Chat Bot Connector on your BUSY computer reads the answer from BUSY. If that computer is off, the request waits up to 24 hours and is answered as soon as it is switched on.

Only your own people

The bot answers numbers that are in your BUSY or that you have messaged; strangers get nothing. A mobile that is on more than one account gets no account data, and every party has a daily limit.

Hindi and English menus

Menus and answers in Hindi or English. Owner test mode shows exactly what a party or salesman will see.

Bot replies use no message credit

Bot answers do not count against your pack. Sign up free on the portal; the free demo answers 5 chat bot messages a day.

How it works

1

Sign up free

On bnm.bharatbusycare.com with your mobile and OTP, or Google; link your business number once by QR.

2

Install the connector

Download the BNM Chat Bot Connector from the portal onto the BUSY computer; it reads BUSY for the answers.

3

Choose who may ask

Party, salesman and owner menus switch on by your pack; parties and salesmen come from BUSY automatically.

4

Done, 24×7

Parties, salesmen and you get answers on chat in seconds, even when the office is closed.

Questions

Does the chat bot change my BUSY data?

No. It only reads bills, ledgers, outstanding and stock from BUSY. A salesman's collection message is passed to the office; the entry is made by the office.

Which numbers get answers?

Numbers in your BUSY (parties with a mobile, sales persons, owners / partners) and numbers you have messaged. Strangers get no reply.

What if the BUSY computer is off?

The request waits up to 24 hours and is answered automatically when the computer and the connector are on again. The party is told it is being prepared.
